If 21 Pilots had a Cat

44 0 4

Chapter 1 by Danger Floof

Hello, my name is Blurryface, I don't know what that means but I do care what you think. I'm a very good listener, especially when you have a good story to tell. If I could talk to you I would but, whenever I speak all I can say is "Meow." Only if you knew what I was saying. You wold be laughing your socks off. That reminds me I never finish shredding that pink little fluffy sock. Anyway, so about my owners. They are Tyler Joseph and Josh Dun from the band 21 Pilots. If you notice I make some of the background music. They never leave me at home so when they go on a tour they put me in a suitcase. I know that sounds dangerous but, somehow I make it. It's fun being with them because obviously I am their #1 fan. But being a cat and being their #1 fan is hard. I try to tell them to buy band merch for me but, they just don't seem to listen. Wait if all humans hear is "Meow" then how come you can read this story? I mean, cats do understand other cats. So I guess if you can read this then you are a cat but, if you can't then all of this should say is "Meow."
